

CURRICULUM VITAE

Name and Surname: Beyza ARMAĞAN
Date of Birth: 1998
Academic Title: Lecturer
Work Address:
Email: barmagan@biruni.edu.tr
Area of Expertise: Health Sciences

Degree	Department/Program	University	Year
Doctorate	Department of Pharmacy Technology	Biruni University	Continues
Master's Degree	Department of Nutrition and Dietetics	Biruni University	2024
Bachelor's Degree		Biruni University	2022
Bachelor's Degree	Department of Nutrition and Dietetics	Biruni University	2020

Master's Thesis Title (abstract attached) and Thesis Supervisor(s):

Investigation of the cytotoxic effects of cranberry (Cornus mas), quercetin and their combinations on HT-29 colon cancer cells proliferating in medium containing glucose

Position Title	Workplace	Year
Lecturer	Biruni University	2023-Continues
Lecturer	Biruni University	2022-2023

Roles in Projects:

- Cilt Kanserine Karşı Nanopartiküler ve Bitkisel Tedavi Yaklaşımlarının Geliştirilmesi*, Project Supported by Higher Education Institutions, Armağan B., 2024-Continues.
- Akciğer Kanserine Karşı Kombine Fitoterapi Yaklaşımının Geliştirilmesi*, Project Supported by Higher Education Institutions, Armağan B., 2024-Continues.
- Cilt Kanserine Yönelik Aşı Formülasyonlarının Geliştirilmesi*, Project Supported by Higher Education Institutions, Armağan B. (Executive), 2024-Continues.

Administrative Duties:

- Head of Department - Biruni University (2023 - Continues)

PUBLICATIONS

B. Papers presented at international scientific meetings and published in proceedings:

- B1.** Armağan B., Çelik F., Tokpunar M., Ihlamur M., Investigation Of Cytotoxic Effects Of Cranberry Plant On Colon Cancer Cells Proliferating In Different Medium, In: *2nd International Asklepios Congresson Medicine, Nursing, Midwifery And Health Sciences*, Pristina, Kosovo, 2024.
- B2.** Yıldırım A., Armağan B., Ihlamur M., Compounds Of Pseudo-Tahyls And Their Effects On Health, In: *2nd International Asklepios Congresson Medicine, Nursing, Midwifery And Health Sciences*, Pristina, Kosovo, 2024.
- B3.** Aslantürk B., Güzel Ö., Armağan B., Ihlamur M., Demirbaş E., Ateş Y., Multiple Skleroz Hastalığı Ve Tedavi Yaklaşımları, In: *1. Bilsel International Kıbyra Scientific Researches Congress*, Burdur, Turkey, 2024.
- B4.** Kırmızıgül A., Armağan B., Ihlamur M., Demirbaş E., Ateş Y., Obsesif Kompulsif Bozukluk Tedavi Yaklaşımları, In: *1. Bilsel International Kıbyra Scientific Researches Congress*, Burdur, Turkey, 2024.
- B5.** Ceylan E., Ihlamur M., Armağan B., Ateş Y., Demirbaş E., Doğuştan Acıya Duyarsızlık Sendromu, In: *Anadolu 14th International Congress On Applied Sciences*, Gaziantep, Turkey, 2024.
